Revised Algase Wandering Scale (RAWS) – Community Version

Please circle the number beside the statement which best describes your family member's current ability or behaviour. Use the following scale: 1=never or unable; 2= seldom; 3=sometimes; 4=usually; 5=always.

A. Persistent Walking (PW)123451. He/she does a lot of spontaneous walking.123455. He/she goes to many different places while123456. He/she goes to many different places while123457. He/she walks around restlessly.123459. He/she walks around between awakening and123459. He/she walks around between awakening and1234523. He/she walks around between lunch and dinner.1234525. He/she walks around between lunch and dinner.1234526. he/she often changes direction or course while1234528. He/she walks around between breakfast and lunch.1234529. He/she walks around between dinner and bedtime.1234533. He/she walks without an apparent destination.1234534. He/she walks uning inappropriate times.1234534. He/she walks intensely between two places.1234534. He/she walks intensely between two places.1234535. He/she walks intensely between two places.1234536. He/she walks in a continuous direction.12345 <th></th> <th>1 Never/</th> <th>2 Seldom</th> <th>3 Sometimes</th> <th>4 Usually</th> <th>5 Always</th>		1 Never/	2 Seldom	3 Sometimes	4 Usually	5 Always
1. He/she does a lot of spontaneous walking.123455. He/she goes to many different places while walking.123456. He/she gets up and walks during the night.123457. He/she walks around restlessly.123459. He/she walks around between awakening and breakfast.1234513. He/she walks about aimlessly.1234523. He/she walks around between lunch and dinner.1234525. He/she walks around between lunch and dinner.1234526. he/she often changes direction or course while walking.1234529. He/she walks around between breakfast and lunch.1234529. He/she walks for an odd or inappropriate reason.1234533. He/she walks without an apparent destination.1234534. He/she walks during inappropriate times.1234535. He/she walks intensely between two places.1234530. He/she walks back and forth between two places in a repetitive way.1234537. He/she walks in a continuous route, as if on a track1234537. He/she walks in a continuous route, as if on a track12345<	A Development Welling (DW)	unable				
5. He/she goes to many different places while walking.123456. He/she gets up and walks during the night.123457. He/she walks around restlessly.123459. He/she walks around between awakening and breakfast.1234513. He/she walks about aimlessly.1234523. He/she walks about aimlessly.1234523. He/she walks around between lunch and dinner.1234525. He/she often changes direction or course while walking.1234526. he/she often changes direction or course while unch.1234529. He/she walks around between breakfast and unch.1234529. He/she walks for an odd or inappropriate teedtime.1234523. He/she walks und between dinner and bedtime.1234533. He/she walks unith appropriate times.1234534. He/she walks intensely between two places.1234533. He/she walks intensely between two places.1234534. He/she walks in one continuous direction.1234535. He/she walks in a continuous direction.1234536. He/she walks in a continuous oute, as if on a <td></td> <td>1</td> <td>2</td> <td>2</td> <td>4</td> <td>5</td>		1	2	2	4	5
walking.Image: Constraint of the night.Image: Constraint of the night.Image: Constraint of the night.6. He'she gets up and walks during the night.123457. He'she walks around between awakening and breakfast.1234513. He'she walks about aimlessly.1234523. He'she walks about aimlessly.1234523. He'she walks about aimlessly.1234523. He'she walks around between lunch and dinner.1234525. He/she walks around between breakfast and lunch.1234528. He/she walks around between breakfast and lunch.1234529. He/she walks for an odd or inappropriate1234529. He/she walks around between dinner and location.1234520. He/she walks without an apparent destination.1234531. He/she walks intensely between two places.1234531. He/she walks intensely between two places.1234531. He/she walks in one continuous direction.1234531. He/she walks in a continuous direction.1234532. He/she walks in a continuous direction.1234533. He/she walks in a continuous oute, as if on a track23						
6. He/she gets up and walks during the night.123457. He/she walks around restlessly.123459. He/she walks around between awakening and breakfast.1234513. He/she walks about aimlessly.1234523. He/she travels many different routes while walking.1234525. He/she walks around between lunch and dinner.1234526. he/she often changes direction or course while walking.1234528. He/she walks around between breakfast and lunch.1234529. He/she walks for an odd or inappropriate1234529. He/she walks during inappropriate times.1234529. He/she walks during inappropriate times.1234520. He/she walks intensely between two places.1234520. He/she walks intones direction.1234520. He/she walks in one continuous direction.1234521. He/she walks in a continuous direction.1234522. He/she walks in a continuous direction.1234523. He/she walks in a continuous oute, as if on a track1234523.
